

REMARKS/ARGUMENTS

By this response, new Fig. 8 is submitted and the specification was amended to refer to new Fig. 8. The Office Action objected to the drawings for failing to show every feature of the invention specified in the claims. The Office Action requested Applicant to submit a new figure similar to the sketch submitted in response to the previous Office Action illustrating an embodiment within the scope of claim 3. Applicant has provided new Fig. 8 in accordance with the Examiner's request. No other issues were raised in the Office Action. Therefore, Applicant submits that the pending claims are in condition for allowance.

If there are any remaining issues preventing allowance of claims 1-11 and 15-34 that may be clarified by telephone, the Examiner is requested to call the undersigned.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'ERWitt', is written over a horizontal line.
